

The John Eldred Shields Distinguished
Professional Service Award

Presented to

John R. Logan

You are a champion of the rights of Connecticut's citizens.

Your integrity, legal ability, generous nature, and indefatigable energy distinguish you among your peers.

Not only do you serve Connecticut and the Bar Association through your professional efforts, you also lead by example in your community through the Rotary, the Chamber, several town committees, and Catholic Charities.

Throughout your years as an attorney, as a sage legal advisor and zealous advocate, in official and informal ways, through innumerable meetings and phone calls, you have given back in more ways than can be reflected from this citation.

You began long ago as a leader in the Young Lawyers Section and have established yourself as Association statesman. Your relentless commitment to the CBA has elevated us.

You are known for your wisdom, guidance, and counsel, and you are the caretaker of all that the CBA values and treasures.

You are a lawyer's lawyer, held in the highest esteem by your colleagues. Last, and certainly not least, we look forward to your continuing support and involvement in our Association.

The Connecticut Bar Association is honored to bestow on you the 2012 John Eldred Shields Distinguished Professional Service Award, in recognition of your outstanding service and commitment to the CBA.
